To Whom It May Concern:

Recently I was promoted to Interim Director at Slaughter Community Charter School (SCCS) in Slaughter, LA. I have been employed with SCCS for six years with a start date of September 2014. I began as a health/physical education teacher, and then transitioned to middle school math and the Special Education Coordinator for the school. On January 28, 2021 the school board voted to appoint me as the Interim Director for the remainder of the school year, until June 30, 2021.

My husband is also employed at the school. He began working at SCCS as a physical education teacher in January 2013 and became the Athletic Director in August 2014. He currently teaches Civics, is an assistant coach in football, and is the head baseball coach. He stepped down from the Athletic Director position effective February 26, 2021.

Per the rules for nepotism 42:1119.C(2), my husband has been employed for longer than one year after which I was promoted to the position of Interim Director. The school board will render his employee contract and I do not sign his employment check.

I am writing to confirm these circumstances are in accordance with the state rules for nepotism. Should additional information be required, I can be contacted at (225)719-0838 or [sgoudeau@thesccs.org](mailto:sgoudeau@thesccs.org).

Kindly,
